

The River

people will love you
from time to time
FOREVER they will say.

people will hate you
from time to time
FOREVER they will say.

people will appreciate you
from time to time
FOREVER they will say.

people will despise you
from time to time
FOREVER they will say.

people will want you
from time to time
FOREVER they will say.

people will cut you out
from time to time
FOREVER they will say.

people will treat you well
from time to time
FOREVER they will say.

people will take advantage of you
from time to time
FOREVER they will say.

people will honor you
from time to time
FOREVER they will say.

people will judge you
from time to time
FOREVER they will say.

people will glorify you
from time to time
FOREVER they will say.

people will condemn you
from time to time
FOREVER they will say.

people will call you a saint
from time to time
FOREVER they will say.

people will call you a deluder
from time to time
FOREVER they will say.

like birds
towards the sky

like fish
towards the sea

– it doesn't affect me.
